# Wine For Yoga Lovers

## Sauvignon Blanc

---

### Estate

Named after Henry and Alfred Langhorne, who drove cattle overland to the region in the 1840's, Langhorne Creek was founded on farming and today, holds a rich history in South Australian agriculture. The cooling effect from the nearby Lake Alexandrina, the largest lower lake of the Murray River, assists with developing wine of great depth and character. Recognizing the excellent growing conditions, especially for premium red varieties, CMV Farms have been growers in the region since 1998 and are proud to add to the strong family heritage of Langhorne Creek.

### Vinification

As a responsible and significant wine producer, CMV Farms has shared values with the principles of Entwine. As a member of Entwine Australia, CMV Farms is committed to sustainable growing practices and only produce wines that meet the highest environmental, social, and economic care standards.

### Alcohol

12.5 % alc/vol

### Tasting notes

Fresh with a well-balanced fruit profile, dominated by tropical characters of melon and kiwi. Built to be your everyday white wine, it is approachable and will keep all your guests singing until midnight.
